Miraculously healed from effects of a deadly 400 foot fall from the famed Pali Ridge in Hawaii at 18, he was dramatically called to preach the Gospel, to equip believers and build up the Body of Christ.

Danny believes the key to statewide and global spread of Christ's message is in serving pastors and churches, providing cutting edge inspirational evangelism training for thousands of Christians and releasing them to do it.

He has traveled, studied and ministered worldwide (Asia, Europe, Middle East, Africa, Central and South America) and throughout the United States.

Danny is married to Jamie and has three children: Allie, Hugh and Luke.

What Is The Danny Yamashiro School of Evangelism?

The **Danny Yamashiro School of Evangelism** is designed to come alongside pastors and partner with churches to provide cutting edge evangelism training for Christians in the state of Hawaii and beyond.

After extensive interviews with leading pastors in Hawaii, Danny Yamashiro learned of the resounding need for equipping Christians in local churches to do the work of evangelism.

Danny heard the call of God, responding to help meet this need at a critical time in the spiritual climate in the islands.

Mastering Personal Evangelism

What Does The Seminar Cover?

Fun...Interactive...Practical...Engaging

Danny Yamashiro presents biblical insights and practical application on how to relate with people who are open or closed to the Gospel.

Learn how you should interact with someone who is "READY"... "RECEPTIVE"...or "RESERVED" when doing evangelism?

Discover the best ways to relate with people who are "RESISITANT"... "REJECTING"...or "RESENTFUL" to the message of Jesus.

Danny has created relevant scenarios that facilitate role play designed to increase your confidence by practicing evangelism.

Danny Yamashiro serves the pastors of local churches by equipping Christians to do the work of evangelism. This seminar is at the Honolulu 2008 (HIM 2008 Conference)

EVANGELISTIC SCENARIO #3:

At The Party

You are at a Christmas party with family and friends. Your cousin approaches you and you greet her with the normal hug and smile. Amidst the buzz of conversation, she lowers her voice and leans in. Sipping her Diet Coke, she clears her throat and says, "I've been watching the way you live over the past few years and you always seem to have a sort (hard to describe) peace. Even though I know some of the things you've been through. How do you get that?"

Before you can answer, she chimes in, "Oh yeah, and you know me, I'm not religious. I don't go to church or anything. I'm just curious."

What would you do? How would you respond? Find out what the Bible teaches and how to effectively respond in situations like these and others.
